

STEM

APRIL 25, 2015 10AM-3PM 1st ANNUAL SO-CAL ROBOTIC COMPETITION

TOP 3 WINNERS WILL RECEIVE **Team Scholarship**

iSTEMnetwork Foundation

1st PRIZE	\$300	Team	Scholarship
2nd PRIZE	\$200	Team	Scholarship
3rd PRIZE	\$100	Team	Scholarship

Think your bot can take on any challenge? Then bring your VEX, Lego, BoeBot, or custom bot to iSTEMnetwork's very 1st Spring Robotic Competition. Pit your creation against others and test your robotic skills! We are looking for the most innovative designs for our STEM Mystery Robot Challenge. This is an open source robotic event. So bring your bot, and join us for fun filled robotic challenges that include line following & sumo!

More competition info @ www.iSTEMn.org.
