Invitation/Application for: Citizens' Bond Oversight Committee November 2012 Measure R Bond

Overview of the Citizens' Bond Oversight Committee

On November 6, 2012, the voters of the Rowland Unified School District approved a One Hundred Fifty Eight Million Eight Hundred Thousand dollar (\$158,800,000) bond proposal to upgrade and build school facilities across the District. With the passage of the bond, it is required to establish a Citizens' Bond Oversight Committee. The Citizens' Bond Oversight Committee shall have at least seven (7) members. The District is looking for candidates to fill vacancies for a two-year term.

The Committee is designed to include individuals with business experience, senior citizens, and members of the community. Members must be residents in the Rowland Unified School District. District officials, employees, vendors and contractors are prohibited from serving on the committee.

The Citizens' Bond Oversight Committee serves in an advisory role and does not have decision-making authority, but will review quarterly expenditure reports produced by the District to ensure that bond proceeds are expended only for the purposes set forth in the ballot measure. The Committee will also review the audits and reports of expenditures of bond proceeds and will inform the public concerning the same.
