

ATTENTION All incoming 7th Graders

*All students must submit proof of having their T-dap booster to their school's office prior to August 14 to avoid being excluded from school. Students will not be able to register for school, pick up their class schedule, or attend classes until proof is provided. If you have not already done so, please submit proof of your child's **T-dap** booster to your school office beginning July 27. If you have not received your **Tdap** booster, these are the locations where you can receive the vaccination.*
