# Rowland Unified School District

SECONDARY MATH TEXTBOOK
VIRTUAL PUBLIC VIEWING
When: November 10 - 12, 2021

On behalf of our Secondary Math Textbook Adoption team, we would like to cordially invite you to the public viewing of the new textbooks that are being recommended for adoption for implementation beginning spring semester of 2022.
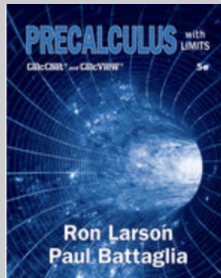

The viewing is an opportunity for you and the public to give comments or ask questions about the textbooks. The public review window will be open on November 10th at 8:00 am and close on November 12th at 6:00 pm. You will have access to review the digital version of the recommended textbooks through an access link that will be made available the morning of November 10th on the RUSD website. A survey will be shared for written public feedback and a virtual meeting will be hosted on November 12th from 4:00 pm to 5:00 pm in which representatives will be available to answer any questions.
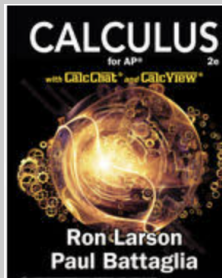

| **Pearson**	**Cengage**		**Macmillan Higher Education**	
College Algebra: ISBN: 9780135924310	Pre-Calculus: ISBN: 9780357643273	AP Calculus AB: ISBN: 9780357431948	AP Calculus BC: ISBN: 9781319287573	AP Statistics: ISBN: 9781319248833
