

Rowland Unified School District Presents:

Public Book Review

March 22, 2017
2 pm – 6 pm / Room P2

On behalf of the Algebra, Geometry, Algebra 2 (AGA) Textbook Adoption Committee, we would like to cordially invite you to the public viewing of the new textbooks that are currently being piloted. These textbooks are being considered for adoption and if adopted, will be placed in classrooms beginning August 2017.

This group of AGA teachers has been part of the book adoption process since the beginning of the school year. They have chosen to pilot two programs, *Big Ideas* and *Pearson*. Each group will have the opportunity to pilot both programs and have a decision by May 2017.

The viewing is a chance for you and the public to give comments or ask questions about the textbooks. Representatives will be present in order to answer any inquiry or concerns. We hope to see you there!
