

# We're Coming to You

As the Third Party Administrator (TPA) selected by your district, we provide assistance with compliance and retirement plan education. We are the nation's largest credit union for school employees and have been administering retirement plans for more than 25 years. We hold ourselves to the highest standard of integrity, professional ethics, and cooperation.

## Why is it a good idea to supplement your CalSTRS or CalPERS pension?

**Teachers:** On average you will retire with 26 years of service and CalSTRS will replace 63% of your salary.

**Classified Employees:** On average you will retire with 22 years of service and CalPERS will replace 50% of your salary.

## We can help. We're coming to you.

### You will learn:

- What retirement plan options are available to you
- How much you should be saving each month
- How to become a SchoolsFirst FCU Member and start your retirement plan
