Break-out Session A (6:15-6:45pm)

College Calendar (ROOM: D-5) Important dates for students and parents to be aware of including college application deadlines, financial aid deadlines, SAT/ACT test dates, when to request a transcript and more. A month by month overview of the college application process will be given. *(Spanish/Mandarin Translation Available)*

California College Systems (ROOM: D-4) A general overview of the CA college systems that are including the UC, CSU, Private and California Community College systems. Information on admission requirements, location of campuses, GPA eligibility and more will be explained.

Getting Middle Schoolers College Ready (ROOM: E-2): This presentation will increase awareness of the college planning process beginning in middle school. It will include steps in building an academic foundation and academic plan as well as the parents'/guardians' role. *(Spanish Translation Available)*

Introduction to Financial Aid (ROOM: Hideout): Students and parents will be given an overview of the financial aid process for college including how to apply, the different types of financial aid and much more. Information will be presented by the Rio Hondo Financial Aid Department. *(Spanish/Mandarin Translation Available)*

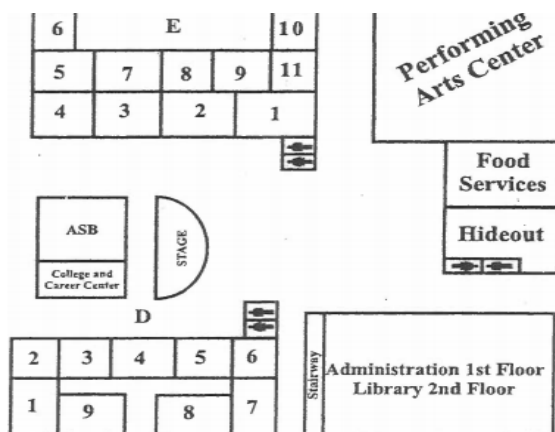

Break-out Session B (7:00-7:30pm)

Community College (ROOM: D-4) - Gateway to Four Year college, Vocational and Technical Careers: An overview of the advantages of enrolling in a community college, from pursuing a vocational or technical career, to transferring to a four-year college or university. *(Spanish/Mandarin Translation Available)*

Introduction to Financial Aid (ROOM: Hideout): Students and parents will be given an overview of the financial aid process for college including how to apply, the different types of financial aid and much more. Information will be presented by the Rio Hondo Financial Aid Department.

Trade School/Technical School Options (ROOM: D-5): This session will highlight trade and technical opportunities from local college programs. Students and parents will have an opportunity to learn about various career technical programs that they can attend right after high school.

Writing the College Essay (ROOM: E-2): What do Yale, Stanford and UCLA share in common? Essays and writing prompts! We will cover how to optimize your writing and avoid common pitfalls by using examples of essays that have helped our students gain admission to some of the top schools in the nation. *(Spanish/Mandarin Translation Available)*
