## HIGH SCHOOL SCIENCE TEXTBOOK ADOPTION

### PUBLIC VIEWING

April 4th-5th, 2022

On behalf of our District Textbook Adoption team, we would like to cordially invite you to the public viewing of the new textbooks that are being recommended for adoption and implementation beginning fall semester of 2022. This viewing is an opportunity for the public to ask questions and give feedback about the textbooks. The public review window for the High School Science Adoption will open on April 4th at 8:00 am and close on April 5th at 6:00 pm. We will have a virtual meeting on April 5th from 6:00 pm to 7:00 pm to share feedback and ask questions with a course representative.
