ROWLAND HEIGHTS, CA 91748

**ADDENDUM 2**  
PIZZA (DELIVERY & READY TO SERVE)  
RFP BID# 2018/19:(R5)

October 8, 2018

TO ALL PROSPECTIVE BIDDERS:

Note: *The following Addendum shall become part of the contract documents and the bidder shall provide for all work as required by this Addendum. Acknowledge receipt of the Addendum on the Bid Proposal Form.*

**Specifications/Clarifications:**

1. **Question:** Question about the nutritionals for the 14" 8 cut pizza profile:

Here's what you have in the RFP:

**Sodium not to exceed 480 milligrams**

The request matches exactly to what all the other requests ask for except the sodium. The USDA sodium limits are: less than or equal to 640 mg. Can you please check the requirement and let me know if there has been an error in the request? This is on page 1/3 under Pizza Product Requirements. The sodium you have listed is for Smart Snack, not entrée and the information request I believe is inaccurate.

**Answer:** We must not only follow the USDA meal program guidelines, but since we sell pizza for students who request a second slice, as well as for special events outside of the meal program during the school day, we are also required to follow the Smart Snack guidelines. Please see the attached grid for middle and high schools.
