The Bid Proposal of a Bidder who is not a "Qualified Contractor" for the nature and scope of work will be rejected for non-responsiveness.

3. **Documents Accompanying Bid Proposal.** The following must be submitted with the Bid Proposal: (i) Non-Collusion Affidavit, (ii) Subcontractors List; (iii) Bid Security; (iv) Certification of Pre-Qualification Statement; and (v) DIR Registration Verification, all of which must be in the form and content included with the Contract Documents.

4. **Prevailing Wage Rates.** Pursuant to California Labor Code §1773, the Department of Industrial Relations has determined the generally prevailing rates of wages in the locality in which the Work is to be performed. These determinations, entitled “PREVAILING WAGE SCALE” may be viewed and obtained by accessing the Division of Labor Standards Enforcement databases at [http://www.dir.ca.gov/dirdatabases.html](http://www.dir.ca.gov/dirdatabases.html). The Contractor awarded the Contract for the Work shall post a copy of all applicable prevailing wage rates for the Work at conspicuous locations at the Site of the Work. The Contractor and all Subcontractors performing any portion of the Work...
shall pay not less than the applicable prevailing wage rate for the classification of labor provide by their respective workers in prosecution and execution of the Work. During the Work and pursuant to Labor Code §1771.4(a)(4), the Department of Industrial Relations shall monitor compliance with prevailing wage rate requirements and enforce the Contractor’s prevailing wage rate obligations.

5. **Contractors’ License Classification.** Pursuant to California Public Contract Code §3300, the District requires that Bidders possess the following classification(s) of California Contractors License at the time that the Contract for the Work is awarded: **C-13 Fencing.** Any Bidder not so duly and properly licensed shall be subject to all penalties imposed by law. 6. **Pre-Bid Inquiries.** Bidders may submit pre-bid inquiries or clarification requests. Bidders are solely and exclusively responsible for submitting pre-bid inquiries or clarification requests no later than **10:00 AM on October 30, 2020.** Pre-bid inquiries or clarification requests shall be submitted to: *Rosana McLeod, Director of Purchasing,* only by e-mail *rmcleod@rowlandschools.org.*

7. **Bidder and Subcontractors DIR Registered Contractor Status.** Each Bidder must be a DIR Registered Contractor when submitting a Bid Proposal. The Bid Proposal of a Bidder who is not a DIR Registered Contractor when the Bid Proposal is submitted will be rejected for non-responsiveness. All Subcontractors identified in a Bidder’s Subcontractors’ List must be DIR Registered contractors at the time the Bid Proposal is submitted. The foregoing notwithstanding, a Bid Proposal is not subject to rejection for non-responsiveness for listing Subcontractor the Subcontractors List who is/are not DIR Registered contractors if such Subcontractor(s) complete DIR Registration pursuant to Labor Code §1771.1(c)(1) or (2). Further, a Bid Proposal is not subject to rejection if the Bidder submitting the Bid Proposal listed any Subcontractor(s) who is/are not DIR Registered contractors and such Subcontractor(s) do not become DIR Registered pursuant to Labor Code §1771.1(c)(1) or (2), but the Bidder, if awarded the Contract, must request consent of the District to substitute a DIR Registered Subcontractor for the non-DIR Registered Subcontractor pursuant to Labor Code §1771.1(c)(3), without adjustment of the Contract Price or the Contract Time.

8. **Bid Security.** Each Bid Proposal shall be accompanied by Bid Security in an amount not less than ten percent (10%) of the maximum amount of the Bid Proposal, inclusive of any additive Alternate Bid Item(s). Failure of any Bid Proposal to be accompanied by Bid Security in the form and in the amount required shall render such Bid Proposal to be non-responsive and rejected by the District.

9. **No Withdrawal of Bid Proposals.** All Bidders shall guarantee prices quoted in their respective Bid Proposals for sixty (60) after the date of the opening of Bid Proposals.

10. **Job-Walk.** The District will conduct a **Mandatory Job Walk on Wednesday, October 21, 2020,** beginning at **9:00 a.m.** Choose an item. Bidders are to meet at *Nogales High School, 401 S. Nogales St. La Puente, CA 91744* for the Job Walk. If the Job Walk is mandatory, the Bid Proposal submitted by a Bidder whose representative(s) did not attend the entirety of the Mandatory Job Walk will be rejected by the District as being non-responsive.

11. **Award of Contract.** Pursuant to Resolutions adopted by the District’s Board of Education, the Contract for the Work, if awarded, will be awarded to the responsible Bidder submitting the lowest priced responsive Bid Proposal. If the Bid Proposal requires Bidders to propose prices for Alternate Bid Items, the District’s selection of Alternate Bid Items, if any, for determination of the lowest priced Bid Proposal and for inclusion in the scope of the Contract to be awarded shall be in accordance with the Instructions for Bidders. The District reserves the right to reject any or all Bid Proposals or to waive any irregularities or informalities in any Bid Proposal or in the bidding.
INSTRUCTIONS FOR BIDDERS

1. **Preparation and Submittal of Bid Proposal.** All information required by the bid forms must be completely and accurately provided. Numbers shall be stated in both words and figures where so indicated in the bid forms; conflicts between a number stated in words and in figures are governed by the words. Partially completed Bid Proposals or Bid Proposals submitted on other than the bid forms included herein are non-responsive and will be rejected. Bid Proposals shall be submitted in sealed envelopes bearing on the outside the Bidder’s name and address and identification of the Work for which the Bid Proposal is submitted. Bidders are solely responsible for timely submission of Bid Proposals to the District at the place designated in the Call for Bids. The District will place a date/time stamp machine in a conspicuous location at the place designated for submittal of Bid Proposals. A Bid Proposal is submitted only if the outer envelope containing the Bid Proposal is stamped by the District’s date/time stamp machine. The official U.S. time-clock website: [http://www.time.gov/timezone.cgi?Pacific/d/-8/java](http://www.time.gov/timezone.cgi?Pacific/d/-8/java) is controlling and determinative as to the time of the Bidder’s submittal of the Bid Proposal. The foregoing notwithstanding, whether or not Bid Proposals are opened exactly at the time fixed in the Call for Bids, no Bid Proposals shall be received or considered by the District after it has commenced the public opening and reading of Bid Proposals; Bid Proposals submitted after such time are non-responsive and will be returned to the Bidder unopened. Any Bidder may withdraw or modify its Bid Proposal by written request actually received by the District prior to the scheduled closing time for the receipt of Bid Proposals and the District’s public opening and reading of Bid Proposals.

2. **Bid Security.** Each Bid Proposal shall be accompanied by Bid Security in the form of: (i) cash, (ii) a certified or cashier’s check made payable to the District or (iii) a Bid Bond, in the form and content attached hereto, in favor of the District executed by the Bidder as a principal and a Surety as surety (the “Bid Security”) in an amount not less than the percentage of the maximum amount of the Bid Proposal set forth in the Call for Bids. Any Bid Proposal submitted without the required Bid Security is non-responsive and will be rejected. If the Bid Security is in the form of a Bid Bond, the Bid Bond must be in the form and content included herein and the Surety is an Admitted Surety Insurer under Code of Civil Procedure §995.120.

3. **Modifications.** Changes to the bid forms which are not specifically called for or permitted may result in the District’s rejection of the Bid Proposal as being non-responsive. Bid Proposals must not contain any erasures, interlineations or other corrections unless the same are suitably authenticated by affixing in the margin immediately opposite such erasure, interlineation or correction the surname(s) of the person(s) signing the Bid Proposal. Any Bid Proposal not conforming with the foregoing may be deemed by the District to be non-responsive. If any Bid Proposal or portions thereof, is determined by the District to be illegible, ambiguous or inconsistent, whether by virtue of any erasures, interlineations, corrections or otherwise, the District may reject such a Bid Proposal as being non-responsive.

4. **Examination of Site and Contract Documents.** Each Bidder shall at its sole cost and expense inspect the Site to become fully acquainted with conditions affecting the Work and carefully review the Contact Documents; submission of a Bid Proposal is prima facie evidence of such action by the Bidder. The failure of a Bidder to receive or examine any of the Contract Documents or to inspect the Site shall not relieve such Bidder from any obligation under the Contract Documents.

5. **District’s Right to Modify Contract Documents.** Before the opening of Bid Proposals, the District may modify the Work, the Contract Documents, or any portion(s) thereof by the issuance of written addenda disseminated to all Bidders who have obtained the Contract Documents. If the District issues any addenda during the bidding, the failure of any Bidder to acknowledge such addenda in its Bid Proposal will render the Bid Proposal non-responsive and rejected.
6. **Bidder’s Assumptions.** The District is not responsible for any assumptions made or used by the Bidder in calculating its Bid Proposal Amount including, without limitation, assumptions regarding costs of labor, materials, equipment or substitutions/alternatives for any material, equipment, product, item or system incorporated into or forming a part of the Work which have not been previously expressly approved and accepted by the District. The successful Bidder, upon award of the Contract by the District, if any, will be required to complete the Work for the amount bid in the Bid Proposal within the Contract Time and in accordance with the Contract Documents.

7. **Non-Collusion Affidavit.** No person or entity shall submit or be interested in more than one Bid Proposal for the Work; provided, however, that a person or entity that has submitted a sub-proposal to a Bidder or who has quoted prices for materials to a Bidder is not thereby disqualified from submitting a subproposal, quoting prices to other Bidders or submitting a Bid Proposal for the Work. The form of Non-Collusion Affidavit included in the Contract Documents must be completed and duly executed on behalf of the Bidder; failure of a Bidder to submit a completed and executed Non-Collusion Affidavit with its Bid Proposal will render the Bid Proposal non-responsive.

8. **DIR Registration.**
   8.1. **DIR Registration Verification Form.** Each Bidder must complete and submit with its Bid Proposal the form of DIR Registration Verification included with the Contract Documents. A Bid Proposal submitted without the DIR Registration Verification duly completed and executed by the Bidder will result in rejection of the Bid Proposal for non-responsiveness.
   8.2. **Subcontractors DIR Registration.** Each Bidder must set forth the DIR Registration number for each subcontractor identified in the Bidder’s Subcontractors List (Column E of Subcontractors List Form). A Bidder who does not provide the DIR Registration number of any listed Subcontractor at the time of submitting the Subcontractors List must provide the DIR Registration number for all listed Subcontractors within twenty-four (24) hours of the opening of Bid Proposals. Failure of a Bidder to do so will result in rejection of the Bidder’s Bid Proposal for non-responsiveness.

9. **Award of Contract.**
   9.1. **Award to Lowest Responsive Responsible Bidder.** The award of the Contract, if made by the District, will be to the responsible Bidder submitting the lowest priced responsive Bid Proposal on the basis of the Base Bid Proposal.

10. **Subcontractors.** Each Bidder shall submit a list of its proposed Subcontractors whose work is valued at one-half of one percent (.05%) or more of the Bid Proposal amount. All Bidders are encouraged to disseminate all of the Contract Documents to all persons or entities submitting sub-bids to the Bidder. The omission of any portion or item of Work from the Bid Proposal or from the sub-bidders’ sub-bids which is/are necessary to produce the intended results and/or which are reasonably inferable from the Contract Documents is not a basis for adjustment of the Contract Price or the Contract Time.

11. **Verification of Pre-Qualification Application Information.** Each Bidder shall complete, execute and submit with its Bid Proposal the form of Verification of Prequalification Application Information included herewith confirming that there are no material adverse changes to any of the information provided by the Bidder in its Prequalification Application. The District expressly reserves the right to verify information provided by the Bidder in its Prequalification Application has not been subject to material adverse changes. If in the reasonable determination of the District, material adverse changes have occurred to the information provided by a Bidder in its Prequalification Application, the District may reject the Bid Proposal of such Bidder for non-responsiveness.
12. **Workers’ Compensation Insurance.** Pursuant to California Labor Code §3700, the successful Bidder shall secure Workers’ Compensation Insurance for its employees engaged in the Work of the Contract. The successful Bidder shall sign and deliver to the District the form of Workers Compensation Insurance included with the Contract Documents.

13. **Bid Security.**

13.1. **Return of Bid Security.** The Bid Security of three or more low Bidders, the number being solely at the discretion of the District, will be held by the District for ten (10) days after the period for which Bid Proposals must be held open (which is set forth in the Call for Bids) or until posting by the successful Bidder of the bonds, certificates of insurance required and return of executed copies of the Agreement, whichever first occurs, at which time the Bid Security of such other Bidders will be returned to them.

13.2. **Forfeiture of Bid Security.** If the Bidder awarded the Contract fails or refuses to execute the Agreement within five (5) days from the date of receiving notification that it is the Bidder to whom the Contract has been awarded, the District may declare the Bidder’s Bid Security forfeited as damages caused by the failure of the Bidder to enter into the Contract and may thereupon award the Contract for the Work to the responsible Bidder submitting the next lowest Bid Proposal or may call for new bids, in its sole and exclusive discretion.

14. **Job-Walk.** The District will conduct Job-Walk(s) at the time(s) and place(s) designated in the Call for Bids. The District may, in its sole and exclusive discretion, elect to conduct one or more Job-Walk(s) in addition to that set forth in the Call for Bids, in which event the District shall notify all Bidders who have theretofore obtained the Contract Documents pursuant to the Call for Bids of any such additional Job-Walk. If the District elects to conduct any Job-Walk in addition to that set forth in the Call for Bids, the District shall, in its notice of any such additional Job-Walk(s), indicate whether Bidders’ attendance at such additional Job-Walk(s) is/are mandatory. If the Job Walk is mandatory, the failure of any Bidder to have its authorized representative(s) present at the Mandatory Job-Walk or any additional Mandatory Job-Walk called by the District will render the Bid Proposal of such Bidder to be non-responsive. The District will reject the Bid Proposal of a Bidder who obtains the Bid and Contract Documents after the date of the Mandatory Job-Walk set forth in the Call for Bids.

15. **Public Records.** Bid Proposals and other documents responding to the Call for Bids become the exclusive property of the District upon submittal to the District. Upon the District’s issuance of the Notice of Intent to award the Contract, all Bid Proposals and other documents submitted in response to the Call for Bids shall thereupon be considered public records, except for information contained in such Bid Proposals deemed to be Trade Secrets (as defined in California Civil Code §3426.1). A Bidder that indiscriminately marks all or most of its Bid Proposal as exempt from disclosure as a public record, whether by the notations of “Trade Secret” “Confidential” “Proprietary” or otherwise, may render the Bid Proposal non-responsive and rejected. The District is not liable or responsible for the disclosure of such records, including those exempt from disclosure if disclosure is deemed required by law, by an order of Court, or which occurs through inadvertence, mistake or negligence on the part of the District or its agents and representatives. If the District is required to defend or otherwise respond to any action or proceeding wherein request is made for the disclosure of the contents of any portion of a Bid Proposal deemed exempt from disclosure hereunder, the Bidder submitting the materials sought by such action or proceeding agrees to defend, indemnify and hold harmless the District in any action or proceeding from and against any liability, including without limitation attorneys’ fees arising therefrom. The party submitting materials sought by any other party shall be solely responsible for the cost and defense in any action or proceeding seeking to compel disclosure of such materials; the District’s sole involvement in any such action shall be that of a stakeholder, retaining the requested materials until otherwise ordered by a court of competent jurisdiction.
16. Notice of Intent to Award Contract. Following the opening and reading of Bid Proposals, the District will issue to Bidders who have timely submitted a Bid Proposal, a Notice of Intent to Award the Contract, identifying the responsible Bidder submitting the lowest priced responsive Bid Proposal and to whom the District intends to award the Contract.

17. Bid Protest.

17.1. Submission Requirements. Any Bidder submitting a Bid Proposal may file a protest of the District’s intent to award the Contract provided that each and all of the following are complied with: (i) the bid protest is in writing; (ii) the bid protest is filed and received by the District’s Assistant Superintendent, Chief Business Officer not more than three (3) calendar days following the date of issuance of the District’s Notice of Intent to Award the Contract; and (iii) the written bid protest sets forth, in detail, all grounds for the bid protest, including without limitation all facts, supporting documentation, legal authorities and argument in support of the grounds for the bid protest; any matters not set forth in the written bid protest shall be deemed waived. All factual contentions must be supported by competent, admissible and creditable evidence. Any bid protest not conforming to the foregoing shall be rejected by the District as invalid.

17.2. District Review and Disposition. Provided that a bid protest is filed in strict conformity with the foregoing, the District’s Director, General Services or such individual(s) as may be designated by him/her (“District Designee”), will review and evaluate the bid protest. The District’s Assistant Superintendent, Chief Business Officer, or the District Designee are authorized to take final action on behalf of the District relating to a bid protest and will provide the Bidder submitting the bid protest with a written statement concurring with or denying the bid protest (“Bid Protest Disposition”). The Bid Protest Disposition is not subject to District administrative review or appeal. The issuance of a Bid Protest Disposition by the District’s Assistant Superintendent, Chief Business Officer or the District Designee is an express condition precedent to the institution of any legal or equitable proceedings relative to the bidding process, the District’s award of the Contract, the District’s disposition of any bid protest or the District’s decision to reject all Bid Proposals. If any legal or equitable proceedings are instituted relating to a bid protest, award of the Contract or the bidding process and the District is named as a party thereto, the prevailing party(ies) shall recover from the other party(ies), as costs, all attorneys’ fees and costs incurred in connection with any such proceeding, including any appeal arising therefrom.

18. Disclosures.

18.1. The District will consider a Bidder’s request(s) for confidentiality; however, the District will not be bound by the assertion that a page contains confidential material. An assertion by a Bidder that an entire volume of its proposal is confidential will not be honored. The District reserves the right to disclose all information in the proposal, even if the Bidder requests that it remain confidential, if the District determines that disclosure is not prohibited by law or court order.

18.2. Until a contract resulting from this Request for Proposal is executed, no employee, agent or representative of any Bidder shall make available or discuss its proposal with the press, any elected or appointed official or officer of the District, or any employee, agent, or other representative of the District, unless specifically allowed to do so in the Request for Proposal or in writing by the District for the purposes of clarification and evaluation.

18.3. Bidders shall not issue any news release(s) or make any statement to the news media pertaining to this Request for Proposal or any proposal and/or contract or work resulting therefrom without the prior written approval of the District which may be given or withheld in its sole and absolute discretion and then only in cooperation with the District.

11. Indemnification. Unless arising solely out of the active negligence or willful misconduct of the District, the Contractor shall indemnify, defend and hold harmless the District, the District’s Board of Education and all members thereof and the District’s employees, officers, agents and representatives from all claims, demands and liabilities, including without limitation, attorneys fees, which arise out of or are related in any manner to this Contract or the Work. The Contractor’s obligations hereunder include without limitation: (a) injury to, or death of, persons; (b) damage to property; (c) theft or loss of property; (d) Stop Notice claims; and (e) other losses, damages or costs arising out of, in whole or in part, of the acts, omissions or other conduct of the Contractor or Subcontractors. The Contractor’s obligations hereunder shall survive termination of the Contract and/or completion of the Work, and are incorporated into and made a part of the obligations of the Surety issuing the Performance Bond.

12. District Right to Terminate. The Contractor’s failure to comply with any term or condition of the Contract Documents shall constitute default of the Contractor; in such event, the District may terminate the Contract upon seven (7) days written notice to the Contractor. Unless the Contractor shall have commenced, and diligently thereafter prosecute to completion, all required actions to cure such default(s), this Contract shall be deemed terminated without further action of the District; such termination shall be effective the seventh (7th) day after the date of the District’s written notice. If the District terminates the Contract for default of the Contractor, the Contractor and the Performance Bond Surety shall be liable to the District for all losses, costs and damages arising out of the Contractor’s default and costs to complete the Work which exceeds the remaining Contract Price at the time of termination. In addition to the preceding, the District may terminate this Contract, in whole or in part, at any time for the convenience of the District by written notice to the Contractor, in which case, the payment of the Contract Price shall be limited to the value of the Work in place or in progress at the time of the termination for the District’s convenience; no payment shall be made or due from the District for the unperformed portion of the Work.

If within one (1) year, or such other period set forth in the Contract Documents, any of the Work or workmanship is found defective or not in compliance with the Contract Documents, the Contractor shall upon the District’s demand, promptly take all measures necessary to correct, repair or replace such Work or workmanship. If the Contractor fails to do so, the District may take necessary action to correct, replace or replace such Work or workmanship at the cost and expense of the Contractor.

14. Tests/Inspections of the Work. The Work shall be subject to tests/inspections as required by the Contract Documents. The Contractor shall be liable for all costs, fees or expenses of tests/inspections which result from the Work not being ready for tests/inspections or the failure of the Work to comply with the applicable test/inspection standards. If the Work is subject to the jurisdiction of the Division of State Architect (“DSA”), all of the Work shall be subject to inspection/observation by the Project Inspector retained by the District under DSA regulations. If DSA or the Project Inspector deem any portion of the Work not to be in compliance with requirements of the Contract Documents, a material obligation of the Contractor is its prompt and complete repair, replacement or correction of such portion(s) of the Project so they comply with requirements of the Contract Documents. The Project Inspector shall have access at all times to the Work, whether in place or in progress; the Contractor shall provide such access without adjustment of the Contract Price or the Contract Time.

15. Miscellaneous.

15.1 Disputes. Each dispute or claim of $375,000 or less arising out of this Contract shall be resolved in accordance with Public Contract Code §20104 et seq. A dispute or claim exceeding $375,000 shall be resolved by binding arbitration conducted before a retired judge under the auspices of the Judicial Arbitration Mediation Services (JAMS) and its Construction Industry Arbitration Rules in effect at the time that a Demand for Arbitration is filed. The award rendered by the Arbitrator(s) shall be final and binding upon the District and the Contractor and shall be supported by law and substantial evidence pursuant to California Code of Civil Procedure §1296. Any arbitration award that does not incorporate findings of fact and conclusions of law conforming to California Code of Civil Procedure §1296 and Rule R-43 of the AAA Construction Industry Arbitration Rules shall be invalid and unenforceable. The parties hereby expressly agree that the court shall, subject to §§1286.4 and 1296 of the California Code of Civil Procedure, vacate the Arbitration Award if, after review of the Arbitration Award, it determines either that the Arbitration Award is not supported by substantial evidence or that it is based on an error of law.

15.1.1 Contractor Continuation of Work. Notwithstanding any claim or dispute arising out of this Contract or the Work, the Contractor shall continue to diligently perform the Work and prosecute the same to completion.

15.1.2 Government Code §§900 Compliance. The foregoing notwithstanding, claims, demands, disputes, disagreements or other matters in controversy asserted by the Contractor against the District in a demand for arbitration filed pursuant to Paragraph 15.1.1, shall be deemed a “suit for money or damages” under Government Code §900 et seq. An express condition precedent to the Contractor’s commencement of arbitration proceedings under Paragraph 15.1.1, is the Contractor’s strict compliance with and exhaustion of remedies and procedures under Government Code §900 et seq, including without limitation, §§945.4, 945.6 and 946.

15.2 Governing Law; Interpretation. This Contract shall be governed by the laws of the State of California. This Contract shall be interpreted as a whole and not in favor of the District or the Contractor.

In the event of personal delivery, such notices shall be deemed effective upon delivery, provided that such personal delivery requires a signed receipt by the recipient acknowledging delivery of the same. In the event of mailed notices, such notice shall be deemed effective on the third working day after deposit in the mail.

15.4 Cumulative Rights and Remedies; No Waiver. Duties and obligations imposed by the Contract Documents and rights and remedies available thereunder shall be in addition to and not in lieu of or otherwise a limitation or restriction of duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the District shall constitute a waiver of a right or remedy afforded it under the Contract Documents or at law nor shall such an action or failure to act constitute approval of or acquiescence in a breach hereunder, except as may be specifically agreed in writing.

15.5 Successors. This Contract shall be binding upon and inure to the benefit of the respective successors-in-interest of the District and the
Contractor. The foregoing notwithstanding, the Contractor shall not assign this Contract, any right or obligation hereunder or any portion thereof.

15.6 Permits; Approvals. Unless otherwise expressly provided in the Contract Documents, the Contractor shall obtain and pay for all fees, permits or approvals necessary to complete the Work.

15.7 Non-Discrimination. The Contractor and its Subcontractors shall comply with all applicable laws, ordinances, rules and regulations prohibiting workplace discrimination and/or discriminatory employment practices.

15.8 Days. Unless otherwise stated in the Contract Documents, all references to “days” shall be deemed references to calendar days.

15.9 Severability. If any term, condition or provision of this Contract is deemed invalid, illegal or unenforceable by a Court of competent jurisdiction, such term, condition or provision shall be deemed severed herefrom, but all other terms, conditions and provisions hereof shall remain unaffected and in full force and effect.

15.10 Entire Agreement. This Contract and the Contract Documents constitute the entire agreement and understanding of the District and the Contractor concerning the subject matter hereof.
