

The following are the responses to questions submitted as “Request for Information” for RFP Inspector Services Bid#2015/16:9R (Answers are in RED)

1. May the district please provide a construction schedule for the Rowland High School Additions project?
Answer: See attached Project Phasing Schedule. A more detailed schedule will be provided at a later date from the awarded contractor.

2. May the district also provide the following information, as available?
 - DSA application number. **APPL03-115771**

 - Construction Cost. **\$ 43,470,000.00**

 - Required inspector classification. **Class 1**

3. For section 2.5.2 Proposed Schedule of Services, page 4, may you please clarify if this section is to be based on the information provided on pg.3 section 1.4 Schedule? **Yes**

4. For Section 2.5.3.5, page 4, We are unclear on what the district is requesting as a “certificate of correctness of Firm statement of financial resources”, may you please provide further explanation? **District’s discretion if this item is required.**

5. For section 2.7 Additional Data, page 5, should we include letters of reference in this section and in section 2.5.3.7? **District’s discretion if this item is required.**

6. For section 2.8.1 Proposed Fee, page 5, may you please clarify if the district would like us to provide proposed rates or a cost estimated for the project? **Proposed rates and a cost estimate.**
